## Welcome to the monthly update

Welcome to the April 2024 update about **LEEP** and **Stakeholder Register**.

- **LEEP** stands for the Lived Experience Expert Panel. It is called LEEP for short.
- **Stakeholder Register** is called SR for short

This monthly update tells you news about the **National Care Service**.

- The **National Care Service** is also called the NCS for short.

You can share this monthly update with people who are interested in the NCS.

You can also ask people to join LEEP and SR on our website: [Get involved in designing the National Care Service \(NCS\) - gov.scot \(www.gov.scot\)](https://www.gov.scot/national-care-service)

In this April update there is information about the co-design activities you can take part in.

## 1. Co-design activities for LEEP members

We are looking for LEEP members to be part of small co-design groups.

**Co-design** is very important for the NCS programme.

**Co-design** means you can share your ideas and tell us how to make things better.

### About the small co-design groups

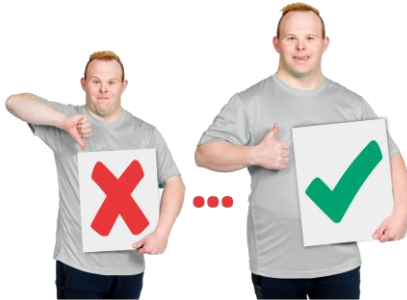

The small co-design groups will be made up of:

- people with lived experience
- stakeholders
- people who work for the government

These groups will work together for 2 to 3 months.

These groups will think about how we can make things better.

They will also think about what else they can co-design.

One of the groups will think about how people with lived experience can be members of the NCS National Board.

They will design how the Board will work.

Another group will design the new complaints system for the NCS.

## How you can take part in a small co-design group

Fill out this online form if you want to take part in a co-design group:

<https://forms.office.com/e/WwpcvH9rHw>

If you need help with filling out the online form, please get in touch.

Our contact details are at the end of this monthly update.

We will make sure we have a wide range of people with different experiences in these groups.

Each small co-design group will have around 8 to 12 people.

If you fill out the online form, we may invite you to join the co-design group that best fits your experience.

If we contact you about joining a co-design group, we will also tell you more about what will happen in the co-design sessions.

We may not be able to invite everyone who fills out the online form to join one of the co-design groups.

But there will be other ways to get involved.

We may ask people who cannot join the co-design groups to help with other co-design activities instead.

## 2. Get in touch about LEEP or Stakeholder Register

Please get in touch if you:

- have any questions or suggestions

- want to change your details

- do not want to be on LEEP or the SR. We can remove your details.

If you want to get in touch, you can:

- email us at [LEEP@gov.scot](mailto:LEEP@gov.scot)

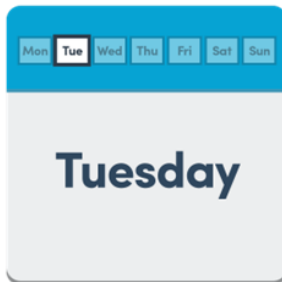

- send us a letter to:  
LEEP  
Scottish Government  
Area Ground East Rear  
St Andrews House  
2 Regent Road  
Edinburgh  
EH1 3DG

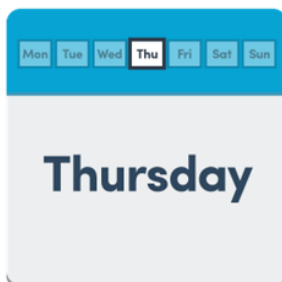

- call us on 0808 196 1507

You can call us:

- every Tuesday from 9.00am to 12.00 noon

- every Thursday from 1.00pm to 4.00pm

- Thank you again for being in LEEP and SR. And thank you for joining to help design our NCS.
