NI event feedback

One word to describe the event

General feedback - Scotland

- Great to hear the individual stores that fit into the bigger picture for disabled people - what people's lives can be by if they get the resources they need
- My family are delighted and thankful to ILF - please continue with what you are doing
- If something could be upsetting, could you say beforehand, please
- The room wasn't very wheelchair accessible, difficult to hear and see speakers
- An excellent day thank you
- Fantastic job, keep up good work
- Room could have been bigger

General feedback

- Great to hear and be reminded of the history of ILF and what it means to people on a daily basis
- I am a PA and came with my boss - I loved today, very emotional
- Keep up the good work
- Fantastic day to meet all the relevant people - get information relevant to all aspects of care and disability
- Thank you for supporting my dad, sister and I

General feedback

- I know that ILF is not a DPO, but it has all the key features and trustworthiness of a DPO apart from Governance but despite this there is accountability in practice
- Take it around the country
- Interesting to know what the next 10 years will lead to!
- Thank you - just what I needed after all the challenges! Well done ILF
- Shared experiences of ILF were very powerful, inspiring and highlights the difference ILF makes to help people live the lives they deserve
- Very informative, interesting and I learned a lot from listening to people's stories. Thank you I enjoyed every minute. ILF is a saviour in our situation

General feedback

- The work ILF does is totally life changing and I cannot put into words what it means to me
- Transport was due to an incorrect postcode on many satnavs - tried 3 different ones. The hotel needs to amend this - the carpark was 15 min walk with accessibility issues, uneven surfaces
- The Portaloo was just splendid; we need hotels with hoists now - mobile or tracking

General feedback – Northern Ireland

- It was a shame the minister couldn't stay to hear from everyone but that was out of ILF control. Thank you for arranging a fabulous event and for being here for us for the past 10 years.
- Reopen the fund in NI
- Would like to meet up every few months as a group
- Would really appreciate guidance on how to enter Stormont after 6pm
- Sound wasn't great for the speakers
